

GRAPHIC COMMUNICATIONS SCHOLARSHIP, AWARD AND CAREER ADVANCEMENT FOUNDATION, INC.

ABOUT THE SCHOLARSHIPS

The Foundation Trustees would like to thank you in advance for becoming a contributing donor and helping to foster the development of our future workforce. The scholarship awards will only be extended to the highest achieving high school students aspiring to receive a college degree in graphic communications.

Your generosity will allow us to select the most qualified students for scholarship awards from among the many applications received. The exact number of awards is based on the amount of funds raised in a given year. All funds will go directly to the students' tuition and related expenses for the school year. Awards will also be considered for the second, third and fourth year of prior award recipients, with continued academic accomplishment and graphics career commitment serving as the evaluation criteria.

The Awards may be allocated to one or more students, based on the qualification levels of the responding candidates. Multiple student sponsorships are welcomed.
